2012-0245 Recent Increase in Landfill Fees

Recent Increase in Landfill Fees

Legislative History

8/8/2012 Representative Town Meeting Referred RTM Public Works Committee

Rep. Loughlin expressed concern about the recent increase to landfill fees. He is worried about increased roadside dumping.

The Town Manager explained the action taken by the Groton Resource Recovery Authority/Town Council to approve the increase in landfill fees. He noted that the increase in fees will help reduce the contribution from the General Fund for this service.

Members discussed the impact of the additional fees on residents. Other items mentioned were meeting the required waste tonnage for the Preston waste disposal facility and ways to control use of the transfer station.

5. **Consideration of Committee Referral Items as per Referral List**

6. **ADJOURNMENT**

For the committee to meet, we need a quorum. Please let the clerk's office (441-6643) know ASAP if you will not be able to attend this meeting.
